Reasons for Properly Displaying Your Address:

- **Protection in case of emergency**

Protect your family and your property. If you need 911 services, fire, law enforcement and EMS will be able to find you faster. A visitor, child or an injured person may be unable to give clear directions. New emergency personnel may be unfamiliar with your area. Seconds count in an emergency!

- **Identification for Utility Services**

Phone, electric, gas, cable and other companies rely on an address to begin a new service or respond to a maintenance issue.

- **Identification for Mail Services**

Mail, package and other deliveries require an address, having that address clearly shown will ensure prompt delivery.
